LINE FRIENDS' BT21 comes to Jewel Changi Airport this June Holidays

Interact with all eight characters and join them on a musical journey

Jewel visitors will be greeted by a giant 4.5 metres-tall inflatable BT21 guardian space robot, VAN, at the Shiseido Forest Valley.

SINGAPORE, 26 May 2022 – Get up close with the eight characters of LINE FRIENDS' BT21 this June Holidays. A first in Southeast Asia, this event features all eight characters in an interactive, in-mall setting within Jewel Changi Airport (Jewel).

From 27 May to 17 July 2022, join KOYA, RJ, SHOOKY, MANG, CHIMMY, TATA, COOKY and VAN, and groove to the music with your family and friends. Clap, sing or dance together with these iconic characters at several spots within Jewel's Shiseido Forest Valley and Canopy Park.

Get up close with the giant inflatable VAN

Be greeted by the giant inflatable BT21 guardian space robot, VAN, at the Shiseido Forest Valley at Level 1. Standing at 4.5 metres tall and lit up at night, VAN is atop the boombox waiting for the rest of the characters to kick-off the musical journey. The giant

inflatable also rests on top of a light interactive galactic floor that changes its colours when you step on them.

Continue your musical journey at Canopy Park

The BT21 characters await you at five different locations within Canopy Park on Level 5. Meet TATA at the entrance arch with its colourful lighted musical notes setting the beat. Take a leisurely walk and arrive at the Beach Party where RJ and KOYA await. Pose with RJ standing by the microphone stand and KOYA who is floating on a giant vinyl with maracas by the side.

Look out for the rest of the BT21 characters as you stroll further into Canopy Park. At MANG's dance floor, show some love to MANG. Do a heart pose and the dance floor will light up with colourful lights triggered by motion sensor!

Up next, spot COOKY in front of a graffiti wall. Admire the street art and snap some photos with COOKY. Busk with SHOOKY and CHIMMY in a street performance where you can be the lead of singer of their band. Type your name into the tablet to showcase your DJ name on the On-Air panel, pose and capture for your socials.

Join all the BT21 characters for the grand finale at the Petal Garden within Canopy Park! Stand behind the interactive DJ console with clickable buttons to change the stage and speaker truss lights to your favourite colours. You can also stand at the front of the stage and become the main lead of this photo op.
